

APPRECIATION

A general merchant from Ganjam District writes :—

“A decade has passed since I purchased one Horn Model No. 21 Machine from your company. The gramophone has given me complete satisfaction. Now I am greatly amused with your Portable machine and like to have one”

Have you enquired if any of your old customers want to purchase this popular Model No. 102?

(Before 1936)

Available only in the following colours :

BLACK, BLUE, GREEN and RED
