

MODEL No 152

UPRIGHT GRAND

(Before 1938)

(Modern "Lowboy" Gramophone)

Height 31½ ins. Width 19¼ ins. Depth 16½ ins.

Visible Metal Fittings are finished in Florentine Bronze.

Excellent reproduction is assured by incorporating matched impedance in the design of Sound Box, Tone Arm and Tone Chamber. The Cabinet is up to date and in excellent taste.

A Double Spring Motor is fitted with silent Automatic Brake, Hand Brake and an adjustable Speed Regulator. Bowls for new and used needles, also a Clip for "Tungstyle" Needles. The Felt Lined Lid absorbs extraneous vibrations from the Sound Box.

Highly Polished Cabinet Rs. 230-0
